# AARP Smart Driver Course

Roselle Police Department

The Roselle Police Department, in cooperation with the American Association of Retired Persons (AARP) will be hosting the Smart Driver Course (formerly AARP Driver Safety Program). The scheduled dates for 2017 are April 10 & 11, May 22 & 23, and September 7 & 8, 2017. The class will meet from 9:00 a.m. to 1:00 p.m. on each day of the two-day course, at the Roselle Police Department, 103 S. Prospect. The cost is \$15.00 for AARP members or \$20.00 for non-members. The fee covers all classroom materials. Coffee and rolls will be served.

The program is a two - day course and is open to all drivers. Participants will refine existing driving skills and develop safe, defensive driving techniques. They will review how to handle adverse driving conditions and traffic hazards and learn about the effects of aging and medication on driving, as well as much more.

Currently, several automobile insurance companies, in the majority of states provide a multi-year premium reductions to graduates of the course who are 55 years of age or older.

The Driver Safety Program results in safer roads for everyone. Older drivers benefit from increased confidence on the road, better driving records, lower insurance rates and a continuing mobile, independent lifestyle for additional years.

To register for the course you may fill out an application, which is available at the Roselle Police Department, and return it with a check made out to AARP to Sergeant Joel Fortuna.
